

Foreign Cars To Race at Carrells Sat.

Foreign stock cars, all in the sports car division, clash in a special program Saturday night, July 28, at Carrell Speedway.

All makes and models of the sleek speedsters, so popular now in Southern California, will be seen on the full card of racing.

Topping off the show will be a 40-lap main event, in which thirty-five cars will start.

There'll be Jaguars, Cad-A-lards, M. G.'s, Hillman-Minx, Austins, Singers, British Fords, Lea Francis, Simcas, and even one of the fancy new Aston-Martins, the car which won the recent 24-hour race in France.

Two feature match races are planned, a battle between one of the new Muntz Jets and the popular XK 120 Jaguar; and another match between another 120 Jaguars and Roger Barlow's

Simca 8, the car which did so well in the recent Pebble Beach Road Race.

Bill Pollock, the driver who won the Pebble Beach classic in an Allard, will be on hand Saturday night, Barlow said.

Other top drivers include Johnny Von Newmann, Phil Hill, Jack Armstrong, Basil Panzer,

E. Alar Moss, E. Forbes-Robinson, Donald Parkinson and all the rest of the amateur "Gentlemen" drivers.

All seats are priced at \$1.50, with youngsters under 12 admitted free, if accompanied by an adult.

The Trophy Dash will start the festivities at 8 p. m.
